

## Red Box

---

Patria Netherlands is distributor of Ground Support Equipment of Red Box.

Red Box products include Aircraft Tugs, Aviation Tool Kits and Aircraft Maintenance Tools, Tool Control Systems, Hand Carry Kits, Aviation Trolley Cases, Aviation Tool Control, Cable Assemblies, Load Banks, Inspection Camera Systems, Borescopes, Fiberscopes and Aircraft Start Power Units.

The Red Box range of Ground Power Units (GPU) are designed to offer every variation of power needed for Aircraft, Vehicles, the rail industry and the military. We offer a full range of portable start power units, as well as lithium start power units, continuous DC power supplies, combination start and continuous DC power units, transformer rectifier units and frequency converters.

Pre-designed aviation tools and aviation tool kits have been designed using the highest quality tools to offer aviation maintenance personnel the best

solution for AOG and base maintenance tasks. The kits can be provided in impact resistant cases or in the Red Box Pro series of electronic tool control cabinets. The kits come with aircraft tools laid out in laser cut Skydrol resistant foam and can also be laser etched.

Aviation tool kits can be designed to customer specification.
